

Grip Department

Warner Bros. Studio Facilities Grip Department encompasses production, rigging & construction grip equipment rentals/services including chain motors, canvas shop, steel scaffolding (reusable) and the scene dock.

Canvas Shop - assist scenic artists and grip technicians in the supply and installation of scenic backings, canvas, duvatyne, rags, scrims, silks, flags – in any style or size. If it is not in our inventory a custom order is not a problem.

Steel pipe scaffolding and decks - environmentally superior and completely reusable equipment. Our specially trained personnel will design and erect the structure that fits your specific needs.

Scene Dock - maintains a collection of set pieces from productions past. Their inventory includes two complete Oval Office sets, fire escapes, steel ladders, columns, fireplaces and various wrought iron fences.

In addition to our rentals and services the Grip Department offers assistance in scheduling and booking skilled and dependable grip talent for your productions.

Give us a call for a competitive quote on your next project.
